

COFFEE SCHEDULE

Thank you for your willingness to serve on our Coffee Committee!

Mary Timmer continues to make coffee before the 8:30A service. Thank you, Mary!

For the summer, I am only scheduling between the services—not after the second service. If you are at church for the second service and want to make sure enough coffee is brewed and/or clean up—that would be great. Otherwise, Linda Folkert will clean up on Monday morning.

Please make sure there are at least two full pots available for after the second service. This may be adjusted depending on attendance.
